

CUSTOMER SERVICE ADVICE FROM TELSTRA

Delay due to fire in parts of the Hawkesbury and Hunter District of New South Wales.

Parts of the Hawkesbury region and Hunter District of New South Wales were impacted by bushfires during November 2019 through to December 2019 and are ongoing to date. These events resulted in extensive damage to Telstra's telecommunications network. In some cases, unsafe conditions and road closures are preventing us from reaching these locations but we will attend as soon as these areas are deemed safe.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. As many as 300 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at Wollemi heading northeast to Milbrodale, southeast past Wollombi to Yarramalong then south to Somersby. From Somersby the area turns southwest to Bar Point, west to Sackville North, northwest to Upper Colo, and north to Colo Heights, then northwest back to Wollemi. All suburbs and towns serviced by Telstra within these boundaries are encompassed in this exemption.
