

CUSTOMER SERVICE ADVICE FROM TELSTRA

Delay due to severe weather in Brisbane and the surrounding Southeast Coast District of Queensland.

As previously notified by Telstra on Friday 20 December 2019, Brisbane and the Southeast Coast District of Queensland were impacted by severe weather on or about Wednesday 11 December 2019 through to Thursday 12 December 2019. This event resulted in extensive damage to Telstra's telecommunications network. Due to the extent of damage to the Telstra network, the impact in the affected region has been greater than initially estimated, and as a consequence of the continued weather effects, the expected recovery date has now been extended to 28 January 2020.

The effect of these circumstances applies to an additional 1,200 services bringing the total number of services impacted to approximately 3,500 services. This number may increase as Telstra assesses the full effect of the severe weather conditions. Based on current information, the resumption date of normal service operations is expected to be 28 January 2020. This date is indicative only; Telstra customers should anticipate that some further delays may occur.

Telstra services encompassed in this exemption are in the area bounded by and including, but are not limited to the area starting at Sandgate, following the coastline southeast past Wellington Point and Victoria Point to Woongoolba. From Woongoolba the area heads west past Bahrs Scrub, New Beith and Willowbank to Mutdapilly. The area turns northwest to Rosewood, northeast past Mount Glorious to Kobbie Creek. From Kobbie Creek the area heads southeast to Albany Creek then northeast back to Sandgate. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.

What else do you need to know?

Information as to the nature of the severe weather events, which included large hailstones, heavy rainfall and damaging winds which occurred in the affected regions can be sourced from the Bureau of Meteorology (BOM). The BOM issued Severe Weather Warnings regarding these events commencing from on or about Wednesday 11 December 2019 through to Thursday 12 December 2019. Additionally these unusually severe weather events have been widely reported by most of the news media.

Due to this event, we're claiming an exemption under section 21 of the Telecommunications (Customer Service Guarantee) Standard 2011, including an exemption from the payment of compensation between **12 December 2019 to 28 January 2020** inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.
