

Customer Service Advice from Telstra

Delay due to severe weather events in the North Tropical Coast and Tablelands District and parts of the Northern Goldfields and Upper Flinders, and Herbert and Lower Burdekin Districts of Queensland.

As previously notified by Telstra on Monday 1 March 2021, the North Tropical Coast and Tablelands District and parts of the Northern Goldfields and Upper Flinders, and Herbert and Lower Burdekin Districts of Queensland were impacted by severe weather on or about Monday 15 February 2021 through to Thursday 18 February 2021. This event resulted in extensive damage to Telstra's telecommunications network. Due to the extent of damage to the Telstra network, the impact in the affected region has been greater than initially estimated, and as a consequence of the continued weather effects, the expected recovery date has now been extended to 25 April 2021.

The effect of these circumstances applies to an additional 350 services bringing the total number of services impacted to approximately 1,150 services. This number may increase as Telstra assesses the full effect of the severe weather conditions. Based on current information, the resumption date of normal service operations is expected to be 25 April 2021. This date is indicative only; Telstra customers should anticipate that some further delays may occur.

Telstra services encompassed in this exemption are in the area bounded by and including, but are not limited to the area starting at Elim Beach Campground following the QLD coastline south past Cooktown, Cairns, Innisfail and Cardwell to the Halifax Bay Wetlands then southwest to Paluma. From Paluma the area turns northwest to Wairuna, southwest to Bellfield then northwest to Croydon. The area heads northeast to Groganville, northwest to Laura then northeast back to the Elim Beach Campground. All suburbs and towns off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed.

What else do you need to know?

Information as to the nature of the severe weather events, which included heavy rainfall which occurred in the affected regions can be sourced from the Bureau of Meteorology (BOM). The BOM issued Severe Weather Warnings regarding these events commencing from on or about Monday 15 February 2021 through to Thursday 18 February 2021. Additionally these unusually severe weather events have been widely reported by most of the news media.

Due to this event, we're claiming an exemption under section 21 of the *Telecommunications (Customer Service Guarantee) Standard 2011*, including an

exemption from the payment of compensation between **18 February 2021** to **25 April 2021** inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.
