

Customer Service Advice from Telstra

Delay due to extreme weather events in the Mid North Coast District and parts of the Northern Rivers, Hunter and Northern Tablelands Districts of New South Wales.

As previously notified by Telstra on Tuesday 4 May 2021, the Mid North Coast District and parts of the Northern Rivers, Hunter and Northern Tablelands Districts of New South Wales were impacted by extreme weather on or about Thursday 18 March 2021 through to Tuesday 23 March 2021. This event resulted in extensive damage to Telstra's telecommunications network. Due to the extent of damage to the Telstra network, the impact in the affected region has been greater than initially estimated, and as a consequence of the continued weather effects, the expected recovery date has now been extended to 6 June 2021.

The effect of these circumstances applies to an additional 300 services bringing the total number of services impacted to approximately 5,550 services. This number may increase as Telstra assesses the full effect of the extreme weather conditions. Based on current information, the resumption date of normal service operations is expected to be 6 June 2021. This date is indicative only; Telstra customers should anticipate that some further delays may occur.

Telstra services encompassed in this exemption are in the area bounded by and including, but are not limited to, the area starting at Bare Bluff Lookout following the NSW coast south past Coffs Harbour, Port Macquarie and Forster to Dark Point. From Dark Point the area turns northwest past Stroud to Bandon Grove, north to Nowendoc then northeast to Yarrowitch. The area heads north to Wards Mistake, northeast to Nymboida then southeast back to Bare Bluff Lookout. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed in this exemption.

We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

What else do you need to know?

Information as to the nature of the extreme weather events, which included heavy rainfall, damaging winds and flash flooding which occurred in the affected regions can be sourced from the Bureau of Meteorology (BOM). The BOM issued Severe Weather Warnings regarding these events commencing from on or about Thursday 18 March 2021 through to Tuesday 23 March 2021. Additionally these unusually severe weather events have been widely reported by most of the news media.

Due to this event, we're claiming an exemption under section 21 of the *Telecommunications (Customer Service Guarantee) Standard 2011*, including an exemption from the payment of compensation between **22 March 2021** to **6 June 2021** inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.
