

Payment Assistance Policy Summary

Buroserv understands Australian customers can find themselves facing financial stress and are committed to supporting customers. Customers facing financial hardship can apply for short or long terms payment assistance free of charge.

‘Financial Hardship’ means you are unable to meet the financial obligations of your contract.

This could be due to:

- Illness,
- Loss of employment,
- Being the victim of domestic or family violence,
- A death in the family,
- Reduced access to income,
- Natural disaster,
- Or other reasonable causes

Residential and small business customers who are experiencing difficulty paying their bills, may be entitled to special arrangements for our invoices they cannot immediately afford to pay

The goal of the payment assistance policy is to prioritise keeping customers experiencing financial hardship connected with disconnection used by the provider as a measure of last resort. Payment assistance is available to all consumers including consumers with disabilities, from cultural or linguistically diverse backgrounds or with other special needs.
