

CRITICAL INFORMATION SUMMARY

NBN 25/5 Combo

INFORMATION ABOUT THE SERVICES

Here's a quick summary of all the important information about the Planet Tel NBN 25/5 Combo. The service is a post-paid broadband data service provided over the National Broadband Network (nbn™), available in nbn enabled areas. The plan includes unlimited data downloads and uploads over interface speeds up to 25 Mbps download and 5 Mbps upload. A Digital Voice service is also included in this package.

Minimum Term is 24 months.

Other Important Conditions

Offer available to approved customers only.

Services are provided under our Standard Form of Agreement <http://www.planettel.com.au/important-documents>

Fair Use and Acceptable Use Policy Apply - <http://www.planettel.com.au/important-documents>

Early Termination Charge applies (except during any applicable cooling off period).

AVAILABILITY

NBN is available at selected coverage areas and subject to infrastructure availability at customer's premises. In the event of a power outage, your service may not work. You should have an alternate method of contacting Emergency Services.

NBN SPEEDS

Actual throughput speeds may be slower and could vary due to many factors including type/source of content being downloaded, hardware and software configuration, type of NBN Technology, the number of users simultaneously using the network and performance of interconnecting infrastructure not operated by Planet Tel. Devices connected by Wi-Fi may experience slower speeds than those connected by a cable. The Standard speed option has a maximum download line speed of up to 25Mbps and maximum upload line speed of up to 5Mbps.

CONNECTION CHARGES	Standard Installation is included with your plan. Where additional work is required to connect your NBN service is more than a standard installation, Planet Tel will pass on any additional fee's. Additional fees may include but are not limited to NBN New Development Charge of \$300 and/or \$300 for a new Copper Pair. In such cases, Planet Tel will obtain your approval before proceeding with the installation. A 240-volt power supply may be required. In the event of a power outage, your services will not work unless you maintain a back-up battery. If you take up an NBN service, you will not be able to move back to a copper service.	
HARDWARE	An NBN Modem is provided at no cost when signing up to a 24 Month Term. A \$19.95 P&H fee will apply for modem delivery. The modem is auto-configured and customer self installed. Please note that support is only available for Planet Tel approved modems. Telephone Handset is not included.	
EARLY TERMINATION	The Early Termination Charge is up to \$299. The full Charge is applicable if cancelling within the first 12 months. After the first 12 months this will be pro-rated by the number of months remaining in the Minimum Contract Term.	
BUNDLING ARRANGEMENTS	Change of plan option is restricted to Planet Tel NBN Bundle plans only and you cannot move back to a Planet Tel ADSL2+/ADSL service. You cannot separately cancel either component (NBN Broadband or Digital voice). Cancellation will cease both services.	
CONNECTION TIMEFRAME	If there has been a previous working NBN service at your premises and we can reconnect it without having to visit your premises, then we aim to connect the service within 5-7 working days of your request. If this isn't possible, then we aim to connect your service within 10- 15 working days, depending on your location.	
BILLING	We will bill you in advance for the Monthly Access Charge and features. Your first bill will include charges for part of the month from when you signed up to your plan until the end of that billing period, as well as the Monthly Access Charge in advance for the next billing period. Our billing period starts on the 1st of every month.
