Pricing for international calls are different for every country. A detailed list can be found at www.telemates.com.au/pstn-int-rates.php of the per minute rates for each country. A 25 cent connection fee applies.

What is the pricing for Value added Services?

Additional services such as Messagebank and Calling Number Display are not included with the monthly access fee. The charges for these services are charged per line, per service as follows:

Service	Cost EX GST	Cost INC GST
Messagebank	\$6 Per month	\$6.60 Per month
Calling Number display	\$6 Per month	\$6.60 Per month

Additional charges will also apply if there are any other Value Added Services currently on your telephone line.

Business Telephone Line Installation

If you are transferring an existing connected business telephone line to Telemates then no connection or transfer fees apply. If you are connecting a new telephone line the costs will be as follows:

Call Type	Charge
Telephone Line Installation without a technician visit	\$59
Telephone Line Installation reactivation with Tech visit	\$125
New Telephone Line connection with cabling work	\$299

Pricing for installation is based purely on the work assessment made by the installation technician and available infrastructure at your locations. Additional discounts may be available when connecting multiple lines. Full information on telephone installation can be found at http://www.telemates.com.au/home_phone_new_line.php

ACT Customers

If your connection address is within an ACT Government area you will be charged an ACT Government Utilities Tax in addition to your monthly access fee.

NATIONAL BROADBAND NETWORK (NBN)

The NBN is slowly being rolled out across Australia in each location. Telemates will be in contact with you when the NBN becomes available in your area and any requirements needed for changing over.

Other Information

Billing
