

Information About The Service

What's on offer?

You are being provided with a post-paid Business Fixed Wire Multiline 30 service with teleMates using the standard telephone network in Australia for making Local Calls, Long Distance Calls, Calls to Mobiles and International Calls. This Business Fixed Wire Service agreement is independent of any other service you may receive from TeleMates.

What is the minimum term of this agreement?

The minimum term of the agreement is 24 month agreement.

Is any telephone hardware included with this agreement?

You will use your own existing telephone system to make and receive calls. The system must contain an ISDN 30 card.

Information About Pricing

What is the minimum I will pay every month?

You will pay a monthly access fee per Multiline 30 service connected with teleMates. This fee will be charged on the 1st of the month in advance. If you connect mid-month a pro-rata monthly charge will also apply on your first invoice.

Service	Ex GST	INC GST
Multiline 10	\$200 per month	\$220 per month
Multiline 20	\$400 per month	\$440 per month
Multiline 30	\$600 per month	\$660 per month

Are any calls included with the monthly access fee?

Any calls made on the service will be charged in addition to the monthly access fee.

What is the minimum cost of the agreement?

Minimum cost over 24 month agreement is Multiline 10 = \$5280, Multiline 20 = \$10560, Multiline 30 = \$15840.

What are the early termination fees applicable if I cancel early?

If you cancel your service at any time within 24 months of connection, an early termination fee of the remaining monthly access fees is applicable. Maximum cost to Multiline 10= \$5280 or Multiline 20= \$10560 or Multiline 30= \$15840.

What are the charges for international calls?

Pricing for international calls are different for every country. A detailed list can be found at www.telemates.com.au/pstn-int-rates.php of the per minute rates for each country. A 15 cent connection fee applies.

What is the pricing for Value added Services?

Additional services such as Calling Number Display are not included with the monthly access fee. The charges for these services are charged per line, per service as follows:

Service	Cost EX GST	Cost INC GST
Calling Number Display 10/20/30 (per 2 Mbit/s link)	\$12 per month	\$13.2 per month
Multiline 30 Extension Level Billing	\$60 per month	\$66 per month
100 Number In-dial Range	\$40.91 per month	\$45 per month

Pricing/service is based on availability at your area. Service is not available in all locations in Australia.

Business Telephone Line Installation

If you are transferring an existing connected business telephone line to Telemates then no connection or transfer fees apply. If you are connecting a new Multiline 10, 20 or 30 telephone line the costs will need to be quoted based on assessment by contacting teleMates.

ACT Customers

If your connection address is within an ACT Government area you will be charged an ACT Government Utilities Tax. In addition to your monthly access fee

NATIONAL BROADBAND NETWORK (NBN)

The NBN is slowly being rolled out across Australia in each location. TeleMates will be in contact with you when the NBN becomes available in your area and any requirements needed for changing over.

Other Information

Billing

Your monthly invoice will be issued on the 1st of every month and will include any unbilled called from the previous month plus your monthly charges in advance. If you join mid-month a pro-rata charge will also apply for your monthly access fee and value added services on your first invoice. An invoice will be issued in via email. If you require post then a \$3.50 per month postage fee will apply.

How can I view my call and data usage information?

You can view your call usage on your monthly statement issued by teleMates on the 1st of every month. You can also view the itemised usage online at <https://www.telemates.com.au/login.php> You will need to set-up password by contacting customer service on 131501.

Tracking your spending

Details of our alerts system can be found at http://www.telemates.com.au/telemates_customer_protection_system.php

Network Coverage

TeleMates utilises the network coverage of the standard telephone network in Australia.

Porting Away

If you port an Multiline service instead of churn from teleMates a port out fee may be applicable

Who do I contact if I need assistance with my service or bill?

You should always contact TeleMates on 1800 777 055. Assistance is also available from our live chat on the website at www.telemates.com.au or emailing support@telemates.com.au If you have any disputes with your teleMates account you must resolve this directly by contacting TeleMates and pay all undisputed amounts as per the teleMates dispute resolution policy at <http://www.telemates.com.au/tm-dispute-resolution-policy.php>.

If you are not satisfied with the outcome of the TeleMates investigation you may contact the Telecommunications Industry Ombudsman on 1800 062 058 or visit www.tio.com.au.
