Calls to Mobiles	30 cents for first 5 minutes then 30 cents per minute thereafter. No Connect Fee
Calls to 1300 Numbers	40 cents per call

Are any calls included with the \$99.95 monthly access fee?

300 Local Calls and 1000 minutes of Long Distance Calls are included. Any other calls made on the service will be charged in addition to the monthly access fee of \$99.95 per month.

What are the charges if I exceed the local and long distance call allowance?

If you exceed 300 Local Calls you will pay 15c each for each additional local call. If you exceed 1000 minutes of Long Distance Calls you will pay 15 cents per minute above 1000 minutes.

What is the minimum cost of the agreement?

The minimum cost of the 12 month agreement is \$839.40.

What are the early termination fees applicable if I cancel early?

If you cancel your service at any time within 12 months of connection, an early termination fee of \$149 per residential line will be applicable.

What are the charges for international calls?

Pricing for international calls are different for every country. A detailed list can be found at www.telemates.com.au/pstn-int-rates.php of the per minute rates for each country. A 15 cent connection fee applies.

What is the pricing for Value added Services?

Additional services such as Messagebank and Calling Number Display are not included with the monthly access fee. The charges for these services are charged per line, per service as follows:

Service	Cost INC GST
Messagebank	Free
Calling Number display	Free

Additional charges will also apply if there are any other Value Added Services currently on your telephone line.

Residential Telephone Line Installation

If you are transferring an existing connected residential telephone line to Telemates then no connection or transfer fees apply. If you are connecting a new telephone line the costs will be as follows:

Call Type	Charge
Telephone Line Installation without a technician visit	\$59
Telephone Line Installation reactivation with Tech visit	\$125
New Telephone Line connection with cabling work	\$299

Pricing for installation is based purely on the work assessment made by the installation technician and available infrastructure at your locations. Full information on telephone installation can be found at http://www.telemates.com.au/home_phone_new_line.php

ACT Customers

If your connection address is within an ACT Government area you will be charged an ACT Government Utilities Tax. In addition to your monthly access fee

NATIONAL BROADBAND NETWORK (NBN)

The NBN is slowly being rolled out across Australia in each location. Telemates will be in contact with you when the NBN becomes available in your area and any requirements needed for changing over.

Other Information
