Buroserv Mobile Saver

Critical Information Summary

Information about the service

Information about the service Mobile Saver is a post-paid 4G mobile voice and data service utilising parts of the Telstra mobile network and includes a defined amount of data as detailed above, most call types and calls to some international destinations. The minimum contract term is 1 month. This service agreement is independent of any other service you may receive from Buroserv, and is subject to Buroserv's Standard Form of Agreement, Fair Use Policy and other important documents, available at www.buroserv.com.au/important-documents. International Roaming is not available on this service.

Service availability

Service not available to all areas, site addresses or customers.

Hardware

No hardware is included with this service. You must supply your own handset.

Other charges

Calls to premium numbers, international destinations not included in the price table, satellite numbers, 1234,12455, 12456 and content charges are not included and are charged separately.

Fair Use Policy

You must comply with our Fair Use Policy and not use your services in an unreasonable or fraudulent manner or in a way that detrimentally interferes with the integrity of the network. We may take action if you breach the Fair Use Policy, including suspending or cancelling your service, or reducing its speed.

Changing your Plan

No alternate plans are available.

How can I check and manage my usage?

You can check your usage online at our CustomerCare portal. Please call to arrange a username and password.

Understanding my bill

Your bill is issued on the same date each month. You're billed in advance for the minimum monthly charge, and in arrears for any usage not included in your plan. You may also be charged for individual services until all those in your plan are connected, so your first few bills may be higher or lower than expected. When you start your plan part way through a billing period, your first bill will have additional charges.
